IV. Check the reason for termination of permit coverage:

Storm Water Discharge associated with permitted activity is no longer occurring. If construction, has the area been restabilized? Please explain:

You are no longer the operator of the facility/site. Please explain:

I certify under penalty of law that all storm water discharges associated with industrial or construction activity from the identified facility that are authorized by a SWD general permit have been eliminated or that I am no longer the operator of the facility or construction site. I understand that by submitting the Notice of Termination, I am no longer authorized to discharge storm water associated with industrial or construction activity under this general permit, and that discharging pollutants in storm water associated with industrial or construction activity to waters of the state is unlawful under the federal Clean Water Act, where the discharge is not authorized by a SWD permit. I also understand that the submittal of this Notice of Termination does not release an operator from liability for any violations of this permit or the South Dakota Water Pollution Control Act. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

NOTE: NOT must be signed by the authorized chief elective or executive officer of the applicant, or by the applicant, if an individual.
